tending cured by DR. KEYBER'S PROTORAL SYRUP.

PITTUSCREE, Jan. 11, 1800.

DR. KRYSER:—My wife has been afflicted with a bad cough and difficulty of breathing, for five or six years, which, for several yearsback, had gradually increased in violence. The complaint has been horselfary, and abe had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Gough Syrup. I bought, the first time, a fifty cont bottle, which relieve ther very much; I then celled and got a dollar bottle, which cured har entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose I capress my entire actisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to cure the above, mor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

I have used Dr. Keyser's Cough Syrup for a bad cough of several years standing, and can cheerfully say it is the best medicine for the same that I have ever taken. J. W. PRICE

COL. PRATT AND DR KEYBEE'S PROTORAL SYRUP.—Dr. Keyrer—Dear Sir: Excuse the delay of my scknowledging the excellence of your Pectoral Cough Syrup sconer. I take great piessure in saying that it is all you say it is. It knocked the noise out of my cough and the worst one I was ever afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done; and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am conditent i can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so unceilent a remedy. You are at liberty to use my name in this regard, as you think proper. E. F. PRATT.

BEAD THE TRUTH.—DR. Extrem: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PECTORAL SYRUP, and before she had used half a bottle she was relieved. The second bottle cured her entirely of her cough.

Robinson street, Allegheny. GREAT CURE BY DR. KEYSER'S PROTORA

A GREAT CURE BY DH, KEYSER'S PECTORAL SYRUP.—I live in Peobles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February leat, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PECTORAL COUGH BYRUP, which I did, and after I had taken one bottle I was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case.

Witness—B. M. Kerr. Peebles townlip.

PATTON Tr., April 14, 1857.

A WONDERFUL CURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Feetoral Syrup, which I gave him, and it entirely cured him, to the astonishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life.

JOHMN' GINNIS.

DR. REYSEE'S PECTORAL SYRUP IN BLAIRS-VILLE.—Please send me another supply of your valuable 'Pectoral Syrup." Almost everybody around us has the cold and are inquiring for 'Dr. Reyser's Pectoral Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their familles. In fact, all who use it once want it again. Yours, respectfully,

ANOTHER NEW CERTIFICATE—DR. KEYBER'S
PROTOBAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bed was it that I could not
sleep. I had the advice and prescriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally presured a bottle of your Pectoral
Syrup, which cared me entirely. Signed,
J. W. SIMONTON,

"STOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectoral, and if that don't cure you, your case must be desperate Indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the advisor's admonition as above, for we have tried the "Pectoral," in a most stubborn case, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulish, unsubduable coughs we ever experienced since our advent upon this mundane sphers. We coughed steadily and laberiously for one whole week, in hopes of tiring it out, but it was no go. In fact it seemed rather to have imported by practice, and to have acquired strength, petency and distressibility by the operation. In this stage of the slegs, we coughed our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it necording to directions, and in forty-eight hours we were master of the field, the enemy having unconditionally surrendaged, after a brief but unequal conflict with so formidable an adversary as Heyser's famous "Cough Pectoral."—Drownselle Chipper, Dec. 14, 1839.
